

THE PYRAMUS & THISBE SOCIETY

JULY 2025

Report of the Education Officer

Conference

North East and North West Regions' offer to host the 2026 National Conference has been formally accepted. Vince Rimmer is leading and has been requested to provide a business plan by end of October 2025

List of topics for 2025 conference to be provided to avoid duplication & repetition

Education officers

Contact list currently being updated and will be circulated this month.

On-line meetings to be held quarterly starting end of September to review speakers & topics.

Events

Branches have been asked to post events on the website via Ada and to provide Natasha with details for posting on linked in. Reminders will be sent with the updated list of Education Officers.

Green book launch events are eagerly anticipated by several branches.

Education policy

Still being drafted, will be issued for discussion at the next meeting and circulated to Education Officers prior to September on-line meeting

Branch Handbook

Currently being drafted, all the branch members I have spoken to would welcome guidance on finance, education, membership and IT/social media.

In the same vein, the MB would welcome feedback on effect of social media postings.
